CHAIRMAN'S REPORT

As this year comes to an end, I am looking forward to 2012. It has been my pleasure to work with last year's board and I am looking forward to working with them and all new officers. Thanks to all who helped move the club forward this year. It was nice to see so many people interested in doing things for our club.

The bar has had a very profitable year and hopefully an even better one next year. Remember, it takes the members to support our club.

I would like to thank Dave Coffey, Dan McEnhill, Charlie Wineberg, Billy McLaughlin, Jimmy Burns, Mike DiMario, Steve Weindel, Mark Hecksher. For all their help For making the service bar possible. The New Years Eve party was a huge success. Over 110 people attended. I would like to give a big "way to go" to our new kitchen. Mary and Chaly did an excellent job. The surf and turf and the buffet was outstanding. I heard nothing but compliments.

I want to thank the bar staff, Judy and Mary, and a last minute stand, Krista McGuire, for also doing a great job!!

Thanks to Jack Gresch, Jim Burns, and Steve Weindel for their help with bar backing. A very special thank you goes out to the Ladies Auxiliary. They make every event come together. You are a great part of WEBC!!!

PRESIDENT'S REPORT

As a new year begins we need all members, new and old, to support our club. We are working to make, what in my opinion, the best club on the river even better. As president and a member I am proud to call WEBC my club.

LADIES AUXILIARY

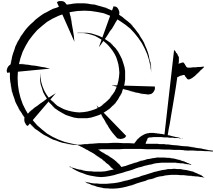

Thanks to all the members for their support this year. We are only as good as the Membership makes us. We would like to make a special thanks to Santa Clause for the donation to the Xmas Party for the kids. SHH we didn't have to pay for the puppet show.

Also a special thanks to our bartenders and Charlie Wineberg, Steve Weindel, Squirrel (Ed Wiernicki) and Jimmy Burns, For being at our beckoned call.

We need more people to join our group. More people, more events, which means more money we can raise for the club. Remember everything we make goes back to the club for expenses or to the kids parties we hold every year. We are in need for ideas for events that won't cost a lot and that everyone would be interested in. If you have any ideas please let us know.
